Please complete all information to the best of your ability. Bag all leaking or broken containers to prevent spills. Note the container integrity on the inventory. MSE will review your registration and may contact you if there are any questions regarding the information submitted. Approximately one week prior to the collection dates for your area, you will receive a postcard which will identify the date and approximate time of your pick-up. In addition, we will estimate the cost based on your inventory and the $2.65 per pound price. There will be a $75 minimum per stop.
